

## Who We Are

The American Legion Riders are members of the American Legion who are also motorcycle enthusiasts. They can be found participating in parades, partaking in motorcycling events, and supporting the communities in which they live, work, and play. Members of the ALR come from the Legion, the Legion Auxiliary, and the Sons of the American Legion.

The American Legion Riders were formed to participate in parades and other ceremonies that are in keeping with the Aims and Purposes of the American Legion; to promote motorcycle safety programs and to provide a social atmosphere for American Legion members who share the same interest and to use our Association to promote and support programs of the American Legion.

The American Legion Riders is not an M/C, and does not practice M/C rules or regulations. The American Legion Riders is family-oriented, just as is its parent organization: the American Legion.

### Membership Eligibility

Most men and women with honorable service or still serving in the U. S. Armed Forces, including the National Guard and Reserves, and their family will be eligible. Please see our website for details.

### Guard and Reserve Eligibility **If you joined or served after 1990 you can join our family\***

The National Guard and Reserves are required to meet the same eligibility requirements as the full time federal active veterans. To be eligible, the National Guardsman/Reservist **must have served at least one day on federal active duty during any of the delimiting periods** listed above, and either have an honorable discharge or currently be serving in the Guard/Reserve or on federal active duty.

The key to determining if a Guardsman/Reservist has been on federal active duty is the “**Authority Line**” on the activation orders of the Guardsman/Reservist. In both cases “Title 10, Subsection 672 or 12301” are orders from the Secretary of Defense and are federal orders.

\*All Reserve components currently send their service members to “Basic Training” using Title 10, Subsection 672/12301 orders.
